

FAIRVIEW PARK VENDOR INFORMATION

2900 Fairview Ave E, Seattle WA. 98102

Location: Fairview Park is located 2 blocks downhill from Imperia, at Lake Union's water edge. There are plenty of trees with shade areas.

Electrical: There is no power at the park. If electricity is needed, Seattle Parks & Recreation only allows battery power (no generators).

Vendor Equipment & Client Belongings: Imperia's staff is not responsible for any guest items or vendor equipment.

Restrooms: There are no restrooms at the park. Imperia restrooms are available before, during and after park use.

Parking: Parking is extremely limited. While most guests will walk the short 2 blocks to the park, we encourage our clients to support guests with mobility challenges by having a family member, friend, or shuttle loop between Imperia and Fairview during guest arrival and departure.

Public Property: While Imperia encourages Parks & Recreation to maintain the park, we are ultimately not responsible for the appearance of the property.

Setup and Teardown: Depending on the guest count, Imperia will begin setting up ceremony chairs and any other rented items one hour before the ceremony starts. Once the ceremony concludes and guests depart, Imperia staff will remove all rented items.
